Ingredients	Amount
Lions, 0.7ltr, Btl	40.000 ml

Recipe Instructions:

Lion's Vodka! Just like their gin, this vodka is purely organic. The brand uses four types of top-notch cereal: wheat, rye, barley and spelt. They are gently distilled and filtered, a method that ensures the preservation of the fine aromas. The result is a very mild and soft type of vodka that can easily be enjoyed neat on the rocks or at room temperature. You can also mix it of course and create classic or modern cocktails. Either way, you should not miss out on this fine Munich product!

Before	Make sure the glassware is clean and without cracks
During	Pour 4cl of content into a 4cl measuring jigger. Transfer into a tumbler.
After	Check if ice is required
